THE PREMIER INTERNATIONAL RICE CONFERENCE, EXPO AND NETWORKING EVENT IN THE AMERICAS

The Rice Market & Technology Convention is a two and a half day event that provides an ***unprecedented program*** full of world-class economists, scientists, and other industry members.

Featuring the ***strongest and most relevant agenda*** designed by rice industry members from throughout the world, coupled with an ***outstanding trade show***, it is known as one of the ***most important and widely attended*** international events of the Western Hemisphere.

RMTC brings ***multiple networking opportunities***, in which all convention attendees have the chance to engage in conversation with ***world-renowned experts and leaders*** from throughout the global rice industry.

RMTC attendees are leaders in their fields from throughout the rice industry including: Producers, Millers, Traders, Importers, Exporters, Government Official, Food Handlers, Rice Wholesalers, Freight/Shippers, Fertilizer Reps, Custom Harvesters, Irrigation Experts, Scientists, Economists and Affiliated Rice Industry Members.

Why should you be part of RMTC 2024?

RMTC is designed for networking!

- RMTC 2024 will provide opportunities to meet with exhibitors and sponsors, as well as organic opportunities to mix, mingle and make new connections amongst all attendees.
- Extended lunch breaks, 30-minute coffee breaks in the expo area, and fun receptions with entertainment are all designed to provide what our attendees value the most – networking.
- Our program will feature the most relevant speakers and topics selected by our panel of industry experts.
- From Market Analysts, Environmentalists, and Research Scientists, to Ag Engineers and Logistics Specialists working on the latest trends in everything from seed development to crop harvest and distribution.

The RMTC speaker lineup will have something for everyone in the rice industry.
